

ACCESS CONSULTING

Our vision

At Ergon Consulting we strive to offer a high quality and personalised service, ensuring we adhere to your projects needs and wants.

We strive to deliver in reliability, efficiency and knowledge. We are committed to our vision; it applies to all of our business dealings, at all times, in any location, and at all levels of responsibility. We pride ourselves in providing excellent quality services whilst still offering competitive fees and rates.

Company Overview

Ergon Consulting are uniquely positioned to provide Access & BCA Consulting services to all people responsible for planning, designing, managing, constructing or maintaining premises, as well as those who are required to certify new building works.

About Us

Ergon Consulting is a boutique consulting company. The combined experience of our team can be credited with having successfully completed many high profile projects within Sydney and throughout Australia.

Our dedicated team has extensive experience and qualifications in access, design and construction. This ensures we are well placed in providing expert solutions to all types of projects and are uniquely positioned in providing advice that is functional and more importantly achieves its purpose.
